TODAY'S LOOSE OFFERING: Local Church Budget

Stewardship involves much more than money and certainly is not just about covering expenses. Stewardship is a way of life. It helps believers keep life in perspective. Generosity with time, talents, and money are certainly clear external signs of stewardship. Believers should not give because it is asked of them. They should give because of whom they represent, what He has done for them, and where their future is. It's a way to thank the One who gave His life for us.

STEWARDSHIP SPOTLIGHT: Please contribute to the local annual sacrifice fund. Your resources are needed for insurance payments, property taxes, and church school subsidy. Thank you.

The **TREASURERS AND COUNTERS** kindly request that members place tithe & offering in a tithe envelope and remember to put your **NAME** on it and **DESIGNATE** where you would like your funds to go and place it in the offering plate. PLEASE DO NOT KNOCK ON THE DOOR after offering is collected!

Online Giving

28 Fundamental Beliefs

26. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later.
